

CÔR™ THERMOSTAT:
THE SMART
THERMOSTAT THAT
LIVES UP TO THE NAME

Simply the biggest idea in home energy management since, well, ever. Its built-in Wi-Fi® connectivity lets you control your home comfort from across the room or across the country. In addition to average homeowner savings of 20% on heating and cooling energy costs,* the CÔr thermostat also monitors your energy usage and turns it into easy-to-read reports you can use to save even more money.

* Based on a 2012 third-party study comparing Carrier® CÔr™ technology to the estimated cost of a non-programmable thermostat set to 72° at all times.

RONAAdvantages Program: [†]Eligibility subject to Fédération des caisses Desjardins du Québec ("the Federation") approval. Certain conditions apply. Terms and conditions available in store or on www.ronadvantages.ca. **Financing program conditions:** Eligibility subject to Fédération des caisses Desjardins du Québec approval. All annual interest rates indicated are subject to change. The financing offer is available on a RONA, Réno-Dépôt and RONA Visa Desjardins credit cards and other credit card issued by the Federation ("the Card"). [§]The "Multiple purchases through equal payments" offer or "Multi-purchase Plan" allows the customer to make multiple purchases over a period of two months ("the deferral period") for a specific project, without making any payment nor incurring interest during this period. At the end of the deferral period, the balance of the multiple purchases is payable in 24 or 36 equal and consecutive monthly instalments, accordingly to the plan registered during the deferral period, at an annual interest of 13.5% if the balance is less than \$2,500 or, if the balance is equal to or greater than \$2,500, at an annual interest rate of 4.0% (for transactions posted to the account with the 24 instalments plan during the deferral period) or at 6% (for transactions posted to the account with the 36 instalments plan during the deferral period). Equal monthly instalments are included in the minimum payment due on the card. **Other conditions:** If the minimum payment due is not paid in full by the due date, the annual interest rate of not more than 19.9% on the card applies to the unpaid equal monthly instalment, including monthly instalment. There is a 21-day, interest-free grace period on the card from the date the monthly statement is mailed or from the date it is made available in electronic format to settle the account without paying interests. Minimum card payment is 5% of the total on: (i) the balance shown on the account statement for the previous period; (ii) interests on purchases and monthly instalments that have not been paid on the due date for the previous period; (iii) regular purchases during the statement period; (iv) monthly instalment(s) relative to Multiple purchases through equal payment or Multi-Purchase Plan for the statement period; (v) deferred payment purchases due on the statement date; and (vi) past due amounts and any other amount set out in the card contract. Other conditions can be applied, refer to the card contract. See details in store. ©™ Trademarks of AIR MILES International Trading B.V. Used under license by LoyaltyOne, Co. and RONA.

	ANNUAL COST		COST FOR 30 DAYS	
ANNUAL INTEREST RATE	Average daily balance	Average daily balance	Average daily balance	Average daily balance
\$ 100	\$ 500	\$ 100	\$ 500	
19.9%	\$ 19.90	\$ 99.50	\$ 1.64	\$ 8.18
21.9%	\$ 21.90	\$ 109.50	\$ 1.80	\$ 9.00
24.9%	\$ 24.90	\$ 124.50	\$ 2.05	\$ 10.23

AIR CONDITIONERS

It's all about your comfort...
and has been since 1902

Willis Carrier, invented the first modern air conditioning system in 1902. And we've been perfecting his idea ever since. Our products continue to rank among the world's best.

Refreshingly energy efficient, quiet and durable, our air conditioning systems are meticulously designed to keep you cool as a cucumber. Great units to choose from all backed by our 10-year parts warranty on compressors.

WHAT DOES SEER MEAN?

The Seasonal Energy Efficiency Ratio (or SEER) is a measure of the cooling efficiency of your air conditioner or heat pump. The higher the SEER number, the more efficient is the system at converting electricity into cooling power.

HOW CLEAN IS YOUR INDOOR AIR?

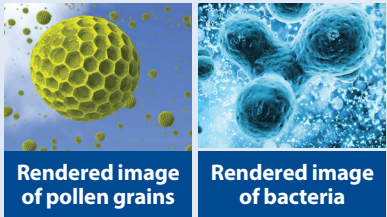

The air inside your home could be up to five times more polluted than outside air. Our state-of-the-art air purifier systems trap and kill bacteria, viruses, mold spores, allergens and other pollutants in the conditioned air – and keep them out of the air your family breathes.

INFINITY™ SERIES AIR PURIFIER

Cleans over 100 times more air than some popular portable units.

PERFORMANCE™ SERIES BYPASS HUMIDIFIERS

Easy to maintain, requires only an annual water panel change

HEAT PUMPS

A smart alternative to an air conditioner. Heat pumps look and function the same as air conditioners for cooling, but in cool months when heat is called for they reverse operation to provide warmth for your home.

In the summer, a heat pump cools the air in your home much like an air conditioner, while in the winter heat is absorbed from the outdoor air and released to the indoor air.

Also, remember that Carrier heat pumps are engineered to team with a Carrier furnace to create a “Hybrid Heat” system, the most cost-savings system you can buy for year-round comfort.

DUCTLESS SYSTEMS

Carrier Ductless systems with Extreme Comfort Performance offer heating down to -30°C and cooling up to 54°C. It's one more way Carrier Ductless systems offer indoor comfort solutions for any space, anytime of year. And with a full line of innovative systems offering a variety of features and benefits that include energy-efficiency options, personalized comfort control, quiet operation and more, our RONA ductless team can help you choose the ideal solution for your indoor comfort needs.

HOW WE WORK

- Visit rona.ca/installation or call 1-855-RONA-123 to set up a FREE in home consultation with a RONA Certified Installer.
- RONA Certified Installer will visit and recommend an appropriate system with an estimate based on your needs.
- Installation performed by a RONA Certified Installer

GUARANTEED BY RONA

We proudly stand behind every professional installation we offer with a full 1-year warranty on all finished labour.

CARRIER LIMITED WARRANTY

To the original owner, Carrier products are covered by a 10-year parts limited warranty upon timely registration. The limited warranty period is five years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty period. See warranty certificate at carrier.com for complete details and restrictions.
