WORK SCHEDULE

WHAT TO EXPECT

1- Do not begin any demolition or renovation work in your kitchen before your cabinets have been delivered and inspected. Missing or damaged parts may delay the installation.

2- Empty your old cupboards and drawers before the installers arrive. Remove anything that is attached to the walls and clear the counters.

3- The RONA installers will remove and replace your old cabinets and countertops, and then install the new appliances and flooring included in your project, if applicable.

4- During installation, if your installers encounter a pre-existing or hidden problem that undermines the integrity of your project, they will inform you and the store of this and will decide if the situation must be resolved before proceeding with the project. We will provide you with solutions, depending on the problem. If additional charges apply, you can make an informed choice before the work resumes.

5- If you are also buying a new counter, expect to do without a sink for a few weeks. A delay may occur between installing your cabinets and preparing, delivering and installing your counter. You can ask the installer to put in a temporary sink for an additional cost.

6- Although your installers make every effort to contain dust within the work area, it will no doubt spread to other parts of your home. We apologize for the inconvenience, while assuring you that your finished kitchen will make you forget these annoyances!

7- While your kitchen is unusable, you will temporarily need a new way to prepare meals. Consider moving your microwave oven, refrigerator and small appliances (toaster, can opener, etc.) to another room, or decide on another way to get your meals.

8- For safety reasons, please keep children and pets away from the work area.

9- Once installation is completed, the installers will do a final inspection with you to ensure that the results meet your expectations.

Thank you for choosing RONA.

PLAN

SAMPLE KITCHEN SKETCH FOR CABINETS & COUNTERTOPS

- Draw the layout of your entire kitchen including cabinets, countertops, doors, windows, heat registers etc.
- Measure the sink window wall first.
- Start in the corner and measure (in inches) to the edge of the window trim.
- Record locations of existing sink, open cabinet space beneath the sink, stove/slide-in range, cooktop, refrigerator, dishwasher, range hoods.
- Record locations of electrical outlets and switches.
- Record the measurement from the wall to the sink centre.
- Measure windows & doors from outside trim to outside trim. Record measurements in the boxes above, as instructed.
- Show floor vents on floor plan. Measure distance of each vent from the wall.
- Measure from the wall in the corner to the end of the countertop in both directions.
- Measure all other countertops.
- Record any wall areas that you think may interfere with the countertop (ex. pipe chase, bowed walls, chimney, etc.)

Build Up Plan conditions: Eligibility subject to Fédération des caisses Desjardins du Québec ("the Federation") approval. Certain conditions apply. The Build Up Plan offer may end or may be changed without notice. Terms and conditions available in store or on www.renodelpot.com/en/build-up-plan. **Financing program conditions:** Eligibility subject to Fédération des caisses Desjardins du Québec approval. All annual interest rates indicated are subject to change. The financing offer is available on a RONA, Rêno-Dépôt and RONA Visa Desjardins credit cards and other credit card issued by the Federation ("the Card"). **§**The "Multiple purchases through equal payments" offer or "Multi-purchase Plan" allows the customer to make multiple purchases over a period of two months («the deferral period») for a specific project, without making any payment nor incurring interest during this period. At the end of the deferral period, the balance of the multiple purchases is payable in 24 or 36 equal and consecutive monthly instalments, accordingly to the plan registered during the deferral period, at an annual interest of 13.5% if the balance is less than \$2,500 or, if the balance is equal to or greater than \$2,500, at an annual interest rate of 4.0% (for transactions posted to the account with the 24 instalments plan during the deferral period) or at 6% (for transactions posted to the account with the 36 instalments plan during the deferral period). Equal monthly instalments are included in the minimum payment due on the card. **Other conditions:** If the minimum payment due is not paid in full by the due date, the annual interest rate of not more than 19.9% on the card applies to the unpaid equal monthly instalment, including monthly instalment. There is a 21-day, interest-free grace period on the card from the date the monthly statement is mailed or from the date it is made available in electronic format to settle the account without paying interests. Minimum card payment is 5% of the total on: (i) the balance shown on the account statement for the previous period; (ii) interests on purchases and monthly instalments that have not been paid on the due date for the previous period; (iii) regular purchases during the statement period; (iv) monthly instalment(s) relative to Multiple purchases through equal payment or Multi-Purchase Plan for the statement period; (v) deferred payment purchases due on the statement date; and (vi) past due amounts and any other amount set out in the card contract. Other conditions can be applied, refer to the card contract. See details in store. **®**TM Trademarks of AM Realities Limited Partnership used under license by RONA.
