

INSTALLATION SERVICES PROMOTION

RONA

QUEBEC RESIDENTS

⌘ Maximum cash back of \$2500. The **RONA** gift card cash back is equivalent to 10% of the value before taxes of installation projects that meet the conditions mentioned below. This offer is valid only for residential owners who have applied for a quote through the **RONA** installation program between **May 26, 2022, and June 22, 2022**, for an installation project among the categories listed below, and whose installation contract for that same project is signed with **RONA** no later than **July 6, 2022**. Maximum earnings limited to \$2,500 per project. Installation project categories eligible to this offer are the following:

- a) **Shingles roofing**: Gift card value is calculated on the price before tax of a shingles roofing installation project. The project value must be of at least \$2,500 before tax to be eligible to this offer.
- b) **Carrier heating / cooling system**: Gift card value is calculated on the price before tax of a Carrier heating/cooling system and its installation cost. Minimum purchase required of \$ 2,500 before tax to be eligible to this offer.
- c) **Exterior doors and windows**: Gift card value is calculated on the price before tax of the exterior doors and/or windows and their installation cost;
- d) **Garage garage doors**: Gift card value is calculated on the price before tax of the Garage garage door(s) and its or their installation cost.

Cash back is awarded on RONA gift cards and earnings are limited to \$2,500 per project.

The gift cards will be remitted by **RONA** directly to the customer within one month following the end of the installation project. The conditions found on the back of the **RONA** gift cards will apply upon activation, which conditions are available at (<https://www.rona.ca/en/gift-card>). This offer cannot be combined with any other offer. This offer does not apply to additional travel expenses when the residence where the installation is required is located outside of a 35 km radius of the selected store. This offer is only available in participating **RONA** stores.

ONTARIO RESIDENTS

⌘ Maximum cash back of \$2500. The **RONA** gift card cash back is equivalent to 10% of the value before taxes of installation projects that meet the conditions mentioned below. This offer is valid only for residential owners who have applied for a quote through the **RONA** installation program between **May 26, 2022, and June 22, 2022**, for an installation project among the categories listed below, and whose installation contract for that same project is signed with **RONA** no later than **July 6, 2022**. Maximum earnings limited to \$2,500 per project. Installation project categories eligible to this offer are the following:

- a) **Shingles roofing**: Gift card value is calculated on the price before tax of a shingles roofing installation project. The project value must be of at least \$2,500 before tax to be eligible to this offer.
- b) **Carrier heating / cooling system**: Gift card value is calculated on the price before tax of a Carrier heating/cooling system and its installation cost. Minimum purchase required of \$ 2,500 before tax to be eligible to this offer.

c) **Exterior doors and windows:** Gift card value is calculated on the price before tax of the exterior doors and/or windows and their installation cost.

d) **Garage doors (only valid in Ontario):** Gift card value is calculated on the price before tax of the Garage door(s) and its or their installation cost.

Cash back is awarded on RONA gift cards and earnings are limited to \$2,500 per project.

The gift cards will be remitted by **RONA** directly to the customer within one month following the end of the installation project. The conditions found on the back of the **RONA** gift cards will apply upon activation, which conditions are available at (<https://www.rona.ca/en/gift-card>).
